User Fees

Athletics/Instrumental Music

2010/2011

The Blackstone-Millville Regional District School Committee has instituted user fees for students in grades 7-12 participating in athletics and/or instrumental music.

The user fee charged to students for each of the areas outlined below will be \$80.00 per sport/music activity. The school committee also voted to implement a family cap of \$320.00 per year, regardless of the amount of activities in which children from a particular family participate.

Please note the following points that will apply to user fees:

- 1) The fee must be paid in full no later than one week after the final roster for said activity has been announced by the coach/music director. Fees for activities taking place in future seasons cannot be paid in advance.
- 2) **The fee can be paid on our website at www.bmrds.net and click on UniPay Online Payment Center.** The fee can also be paid by personal check, certified check or money order. Cash will not be accepted. Please make checks payable to the Blackstone-Millville Regional School District (BMRSD) and deliver it to the middle or high school assistant principal.
- 3) Refunds will be made upon written request by the parent/guardian until the first game/competition. Refunds will be subject to the concept of the family cap. Fees will not be returned if a student is dismissed from the team for any reason by the coach, athletic director, music director or administration after the completion of the first game/competition.
- 4) The payment of user fees will not guarantee playing time.
- 5) Parents may file for a waiver of user fees for those students who qualify for free/reduced price lunch. The qualification criteria for free/reduced lunch status are determined by federal guidelines based on family income and the size of the family unit. If you would like a copy of this application, please contact the principal's office.
- 6) User fees will apply to students in grades 7-12 participating in the following activities:
